

» UNDERGROUND CAR PARK

The underground car park in ICE Kraków consists of two levels that provide space for 329 cars (includes 20 parking spaces for the disabled marked in blue: 9 on level -1 and 11 on level -2). It is designed for passenger vehicles with a maximum height of 2.1 m). The car park is equipped with an automatic parking system. A detailed plan of the car park with numbered parking spaces is presented on the following pages.

The car park operates in accordance with [car park regulations](#).

THERE ARE TWO TYPES OF PARKING TICKETS AVAILABLE FOR THE ATTENDEES OF EVENTS ORGANIZED AT ICE KRAKÓW.

Hourly ticket

On entering the car park, the driver must stop at the entry terminal and press a button to receive a car park ticket. Each parking hour initiated must be paid for in the automatic payment point in accordance with the price list (payment in cash or by card). The first 30 parking minutes are free of charge.

Concert ticket

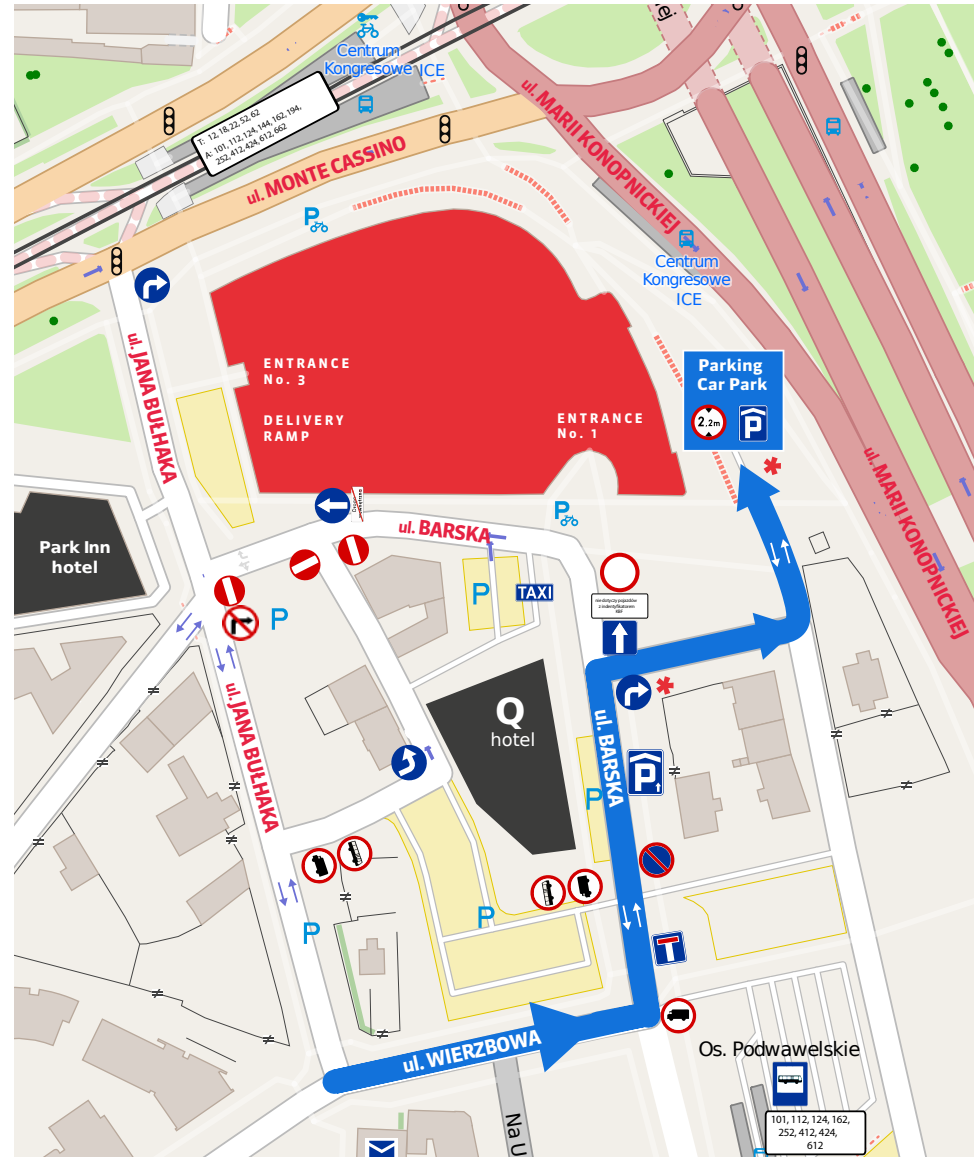

Concert ticket is valid for one hour before and after the event. On entering the car park, the driver must stop at the entry terminal and press a button to receive a car park ticket. The parking charge (in accordance with the price list) must be paid for in the automatic payment point. The concert ticket can be paid before, during or after the event. **Please note** that hourly tickets are not valid when concert tickets are in use.
